

Middle School Network Logic Model 2017

Goal: to ensure broad and equitable participation of middle school youth in quality out-of-school opportunities

- Collect case studies
- Participate in city roundtables and commissions
- Create student and program highlights
- Monthly newsletter to different audiences

- Monthly MSN Meetings (providers)
- Summer Workshops
- Supervise and support two positions at each Upper School
- Create Resource Guides 3x/year

Support

Young people in connecting to opportunities

Mobilize

Program Providers
School Based Adults
Information

Advocate

For the value of out of school time experiences
For the assets of young people
For increased capacity devoted to overcoming barriers

Identify

Needs of Cambridge middle school youth
Barriers that keep young people from accessing opportunities
Systemic opportunity gaps in Cambridge

- Collect and analyze participation data
- Interviews and focus groups
- Student surveys
